and 21)**

REMARKS

Amendments

Figures 11, 12, and 21 have been amended to correct inadvertent typographical errors. Specifically, Applicants have amended reference numbers to "Key Manager" element of Figs. 11 and 12, now reference number 1001, and to "Subtyte" element of Fig. 21, now reference number 1804. Applicants respectfully request entry of the replacement drawings submitted herewith. Applicants also request that the specification amendment be entered to correct minor inadvertent errors. Specifically, the paragraph starting on page 24, line 30 has been amended to substitute "a key manager 1002" on page 24, line 32 with "a key manager 1001."

Comments on Statement of Reasons for Allowance

Applicants believe that the record of the prosecution as a whole, including Applicants' specification and claims, provides additional reasons for allowance. The Examiner's Reasons for Allowance do not necessarily state all the reasons for allowance or all the details why the claims are allowed and, therefore, should not be used to interpret the scope of the claims in place of the record of the prosecution as a whole.

Respectfully submitted,

Dated: 2/21/08
